

Angel of Faith

\$5,000

Vickie's Angel Foundation provides a temporary financial bridge for local families fighting cancer where it can help them the most, meeting their immediate financial needs. Our goal is to remove the financial stress from the family so that they can focus on their cancer treatments and on getting better. At the same time, we offer them comfort with Love, Faith, and Hope.

Your sponsorship plays a vital role for Vickie's Angel Foundation to shine as the Beacon of Hope as we continue to deliver 100% of donations to our families in nine surrounding counties.
