

A letter from Vickie's Angel Foundation

Our Founder and President, Mickey Minnich, has held our helm since Vickie's Angels was incorporated over 14 (2007) years ago as a 501 (c) 3 non-profit organization. Mickey has a loving passion for enabling those in our community who are in need. Mickey lost his wife, Vickie, to cancer in 2002 and has had the direct personal experience of those impacted by this dreaded disease. His first major fundraiser Vickie's Angel Walk, was held in 2003. VAF serves a broad geographic region in South Central Pennsylvania and has raised nearly \$4 million dollars for our community's families in need.

Join our team of Angels by becoming a sponsor at our Inaugural Family Love Golf Tournament. Your donation will make a difference in providing financial help for local families to assist in paying their bills.
